

MDR CE Certification

We are pleased to inform you that GC Europe N.V. has successfully obtained the MDR CE Certificate in accordance with EU Regulation 2017/745.

This certification marks an important milestone and reaffirms our commitment to quality, safety, and compliance in the field of medical devices. It reflects our ongoing dedication to maintaining high standards and delivering value to our customers.

Attached to this communication, you will find the MDR CE Certificate for Class IIa medical devices. The certificate is also available for download via the following link: [Certification | GC Europe N.V.](#) MDR Declarations of Conformity can be accessed and downloaded from the dealers' platform.

If you have any questions or require further information, please do not hesitate to contact the GC Europe N.V. Regulatory Department at regulatory.gce@gc.dental.
